**RBC WEALTH MANAGEMENT'S BROOKHILLS INVESTMENT GROUP NAMED TO
NABCAP PREMIER ADVISORS LIST**

LANCASTER, Penn. (October 29, 2010) RBC Wealth Management announces the Brookhills Investment Group has been given the distinctive honor of inclusion in the NABCAP (National Association of Board Certified Advisory Practices) Premier Advisors list in the October 29th issue of *The Philadelphia Business Journal*. The NABCAP recognizes an elite group of advisory practices in the Philadelphia region.

Brookhills Investment Group helps clients identify their own unique set of financial concerns, and then maintain, grow and secure assets no matter where they are or how far along on the journey of life. They apply a personal and client-centered focus to address those concerns and use the best set of financial tools and investments to meet each of your targeted objectives.

The team's true success begins, not with their 140 years of experience, but in understanding their clients and their financial needs and goals. Brookhills Investment Group recognizes that the concept of "wealth" and its management is very fluid depending on different clients' objectives.

NABCAP is a nonprofit organization created to establish mutually understood standards and practices among both investors and advisory practices. Their primary mission is to educate and inform the investing general public with reliable, unaffiliated, unbiased and completely objective educational resources and information.
