It is with great pride and pleasure that we announce to you that for the second consecutive year, Frank has been recognized by *Barron's* magazine as one of the nation's Top 1,200 Financial Advisors.

This prestigious award goes to a select group of our nation's top financial advisors. We are proud to have one of our own at RBC Wealth Management rank #20 in the state of Maryland. *Barron's* ranks nominees based on several factors which include: quality of practice, revenues generated and assets under management. Out of thousands of nominees, the 1,200 recipients of the award represent approximately less than one half percent of all advisors in the industry.

The commendation afforded to Frank did not happen without great efforts and years of commitment to best serving the needs of his clients. Frank stands out as an example of professionalism and integrity and is someone who has always stayed true to his core values.

As leaders in the financial services industry, we are proud to say that Frank is truly one who strives every day to uphold the highest standards of service and keeps your best interests above all else. We also recognize that his achievement could not be possible without valued clients like you.

We are honored that you have entrusted your financial future to Frank and RBC Wealth Management, and we look forward to the years to come.
